We are a full-line, full-service commercial/industrial distributor. We'll help you keep your business running smoothly by supplying the products, systems, and solutions you need, when you need them.

## Here are just a few benefits of doing business with us:

### Purchase Consolidation

With more than 5,000 manufacturers available, we can satisfy virtually every MRO need. Consolidating your purchases through us isn't just convenient; it also saves you time and money, increasing your efficiency.

### Technical Assistance

Our expert staff can assist you with just about any technical question, from product specifications to applications. Full MSDS information is also available upon request.

### Competitive Pricing

With nearly \$3 billion in purchasing power, we offer the quality products you need at the reasonable prices you expect. We're always happy to provide quotes, regardless of order size. You'll also receive special pricing on bulk orders.

### Multiple Ordering Methods

You're free to place orders any way you like – phone, fax, online, or in person with your account representative.

### Flexible Delivery Options

We offer delivery options to meet your every need. With eight strategically located regional warehouses, deliveries are quick and efficient. We also offer expedited emergency shipments.

### Exceptional Customer Service

Customer service is paramount with us. We can provide you with an assigned account representative who will get to know your business and its needs. Our account representatives don't just sell products; they're dedicated to offering the personalized service and support you deserve.

We offer flexible inventory management systems to optimize productivity.

We also give you full post-sale support.

All manufacturer warranties apply to the products we sell.

Should you ever encounter an issue with one of our products, we'll work with you to resolve it.
